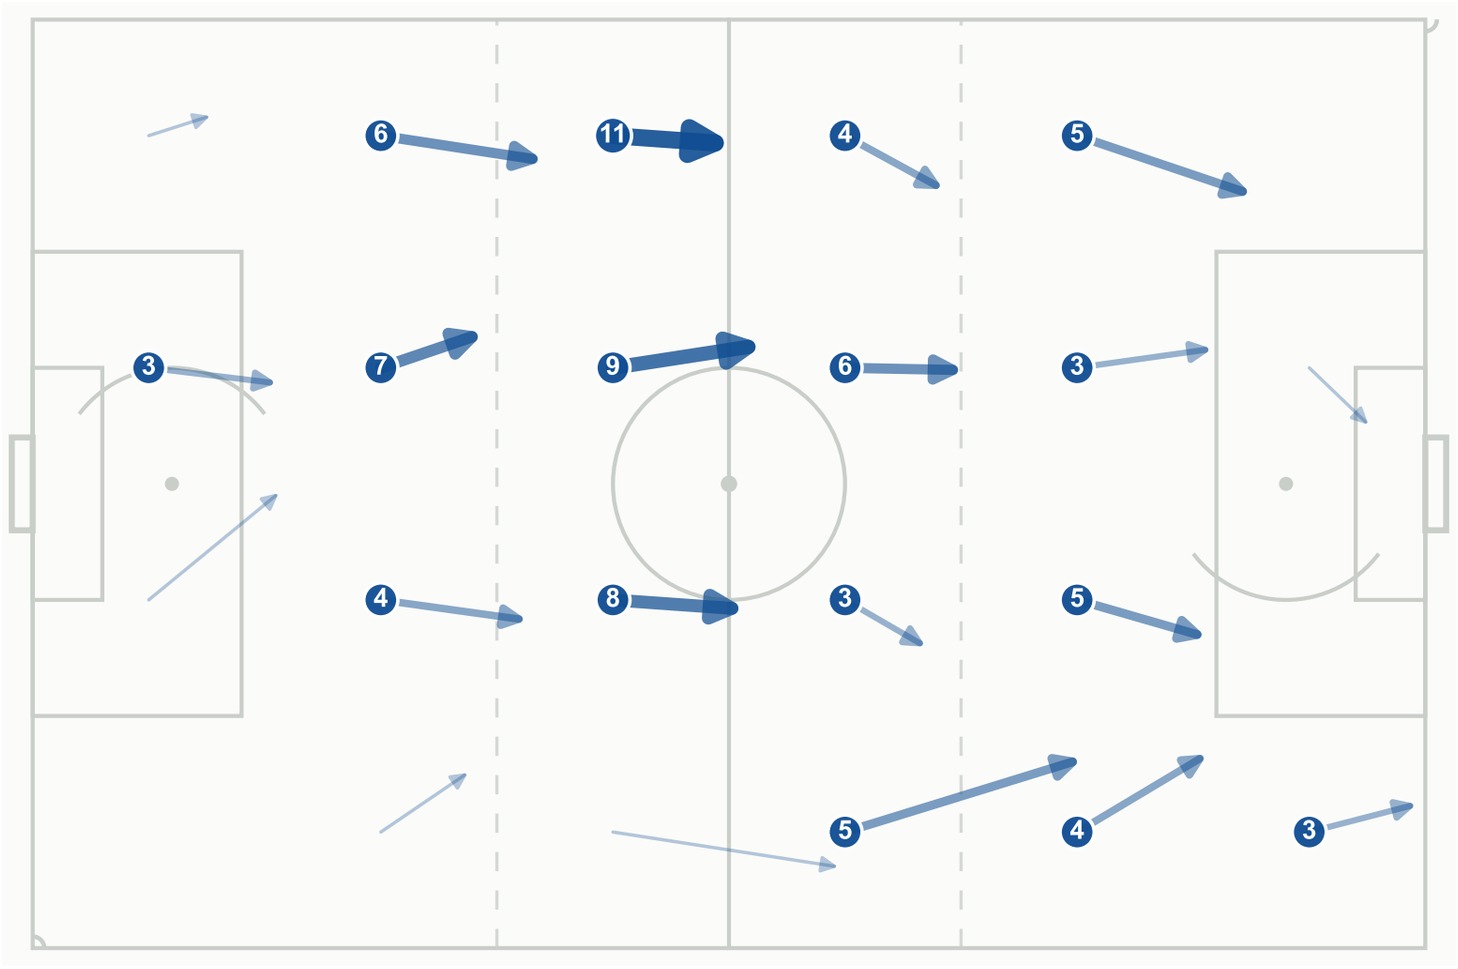
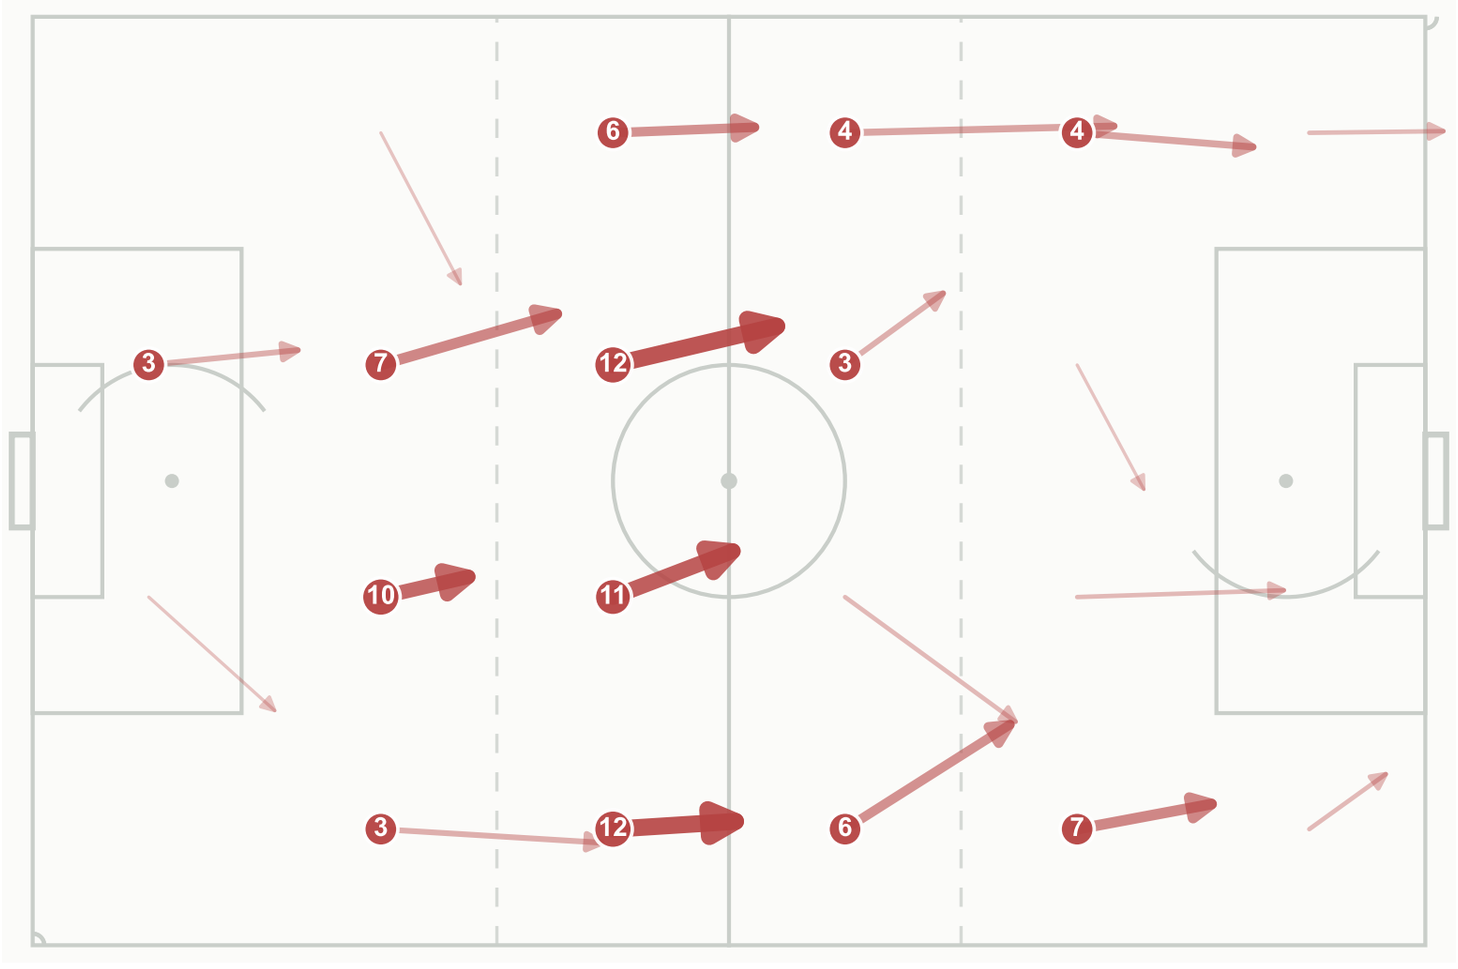
Progressive carries: from each zone, where does the player drive?

Argentina: 91 progressive carries · 2564 yd carried in total



France: 99 progressive carries · 2784 yd carried in total



A progressive carry advances the ball at least 5 yards up-pitch. Each arrow is one zone's mean direction and mean distance, sized by volume. Circled numbers mark zones with 3 or more progressive carries. Data provided by StatsBomb.
